TOPICS FOR DISCUSSION

Carrie Frampton,
Interview:

Ms. Call indicated Ms. Frampton's supervisor reported that during a three-day period there were several narcotic discrepancies during the shifts that Ms. Frampton worked. The supervisor reported she requested all individuals working those three days be urine screened. Ms. Frampton was able to produce a prescription for the same medication that was missing. There were no other individuals positive for the medication. Ms. Woodford reported a letter of concern was sent to Ms. Frampton after speaking with the supervisor. Ms. Jeffries stated there are a number of red flags and she has serious concerns that Ms. Frampton may have substituted another drug for

alcohol. Mr. Allred indicated that since Ms. Frampton had a prescription for the medication, the only action that can be taken is to let Ms. Frampton know there are red flags and she will be monitored closely.

Ms. Frampton did not appear for the scheduled interview.

Rod Cromar,
Probation Interview:

Mr. Cromar met with Board members for his probation interview. Mr. Cromar indicated he works with an LCSW on a daily basis. The RN is the supervisor, but he does not see her on a daily basis. Ms. Jeffries made a motion to accept Lorene Adams as Mr. Cromar's RN supervisor. Ms. Brown seconded the motion. All Board members voted in favor of the motion. Ms. Jeffries made a motion to allow Rick Clements, LCSW to submit daily reports to Ms. Adams, the nursing supervisor. Ms. Kirby seconded the motion. All Board members voted in favor of the motion. Board members indicated Mr. Cormar appears more comfortable today than he did last month. Mr. Cormar explained that at his last Board meeting he was anxious and uncomfortable. Mr. Cromar reported his sobriety date is April 10, 2012. At the last meeting he reported his sobriety date was 15 years ago. He stated he has no thought of relapse and has not relapsed. Mr. Cromar reported his appointment for the neuropsychological evaluation has been scheduled.

Ms. Brown made a motion to allow her to move the prescriptions to Hill Air Force Base, but she can only fill prescriptions at one pharmacy. Ms. Kirby seconded the motion. All Board members voted in favor of the motion.
