BEFORE THE DIVISION OF OCCUPATIONAL AND PROFESSIONAL LICENSING
OF THE DEPARTMENT OF COMMERCE
OF THE STATE OF UTAH

IN THE MATTER OF THE LICENSE OF)
JAMIANNE DEE GILL) STIPULATION AND ORDER
TO PRACTICE AS A)
PSYCHOLOGIST) CASE NO DOPL 2007- 248
IN THE STATE OF UTAH)

JAMIANNE DEE GILL (“Respondent”) and the **DIVISION OF OCCUPATIONAL AND PROFESSIONAL LICENSING** of the Department of Commerce of the State of Utah (“Division”) stipulate and agree as follows

- 1 Respondent admits the jurisdiction of the Division over Respondent and over the subject matter of this action
- 2 Respondent acknowledges that Respondent enters into this Stipulation knowingly and voluntarily
- 3 Respondent understands that Respondent has the right to be represented by counsel in this matter and Respondent’s signature below signifies that Respondent has consulted with her

attorney, Peter Stirba, Stirba & Associates, and is satisfied with her attorney's advice in this matter

4 Respondent understands that Respondent is entitled to a hearing before the State of Utah's Psychologist Licensing Board ("the Board"), or other Division Presiding Officer, at which time Respondent may present evidence on Respondent's own behalf, call witnesses, and confront adverse witnesses. Respondent acknowledges that by executing this document Respondent hereby waives the right to a hearing and any other rights to which Respondent may be entitled in connection with said hearing.

5 Respondent waives the right to the issuance of a Petition and a Notice of Agency Action in this matter.

6 Respondent acknowledges that this Stipulation and Order, if adopted by the Director of the Division, will be classified as a public document and may be released to other persons and entities.

7 Respondent admits the following facts:

- a In about January 2004, Respondent cohabitated, traveled with, and engaged in an inappropriate romantic and physical relationship with a former client. The relationship began within the two year period following the documented termination of the clinical relationship during which a provider may not have an intimate relationship with a former client.
- b Beginning in about July 2005, and continuing until about January 2006, Respondent engaged in another second inappropriate dual relationship with a current client.

8 Respondent admits that Respondent's conduct described above is unprofessional conduct as defined in Utah Code Ann. § 58-1-501(2)(a), (b), (g), Ethical Principles 3.05 and 10.08 of the American Psychological Association Principles and Code of Conduct, and Utah

Administrative Code R156-60-502(1), and that said conduct justifies disciplinary action against Respondent's license pursuant to Utah Code Ann § 58-1-401(2)(a) Therefore, Respondent agrees that an Order shall be entered in this matter as follows

- (1) Respondent's license shall be revoked That revocation shall be immediately stayed and Respondent's license shall be subject to a term of probation for a period of three years The period of probation shall commence on the effective date of this Stipulation and Order, which is the date the Division director signs the Order During the period of probation, Respondent shall be subject to all of the following terms and conditions If the Board or Division later deems any of the conditions unnecessary such deletions may be made by an amended order issued unilaterally by the Division The Board and the Division may also reduce and shorten the time period of probation by an amended order if in their discretion continued probation is unnecessary
 - (a) Respondent shall practice only under the supervision of a Division and Board pre-approved psychologist supervisor during the term of Respondent's probation Any changes in supervision may be made only with the consent of the Division and Board Respondent shall deliver a copy of this Order to Respondent's supervisor (within ten days of the establishment of the supervisory relationship) and cause Respondent's supervisor to notify the Division in writing that a copy has been received
 - (b) Respondent shall meet weekly with Respondent's supervisor However, the Board and the Division may reduce the frequency of supervisor meetings if they determine that less frequent supervisor meetings are appropriate Supervision goals shall include concurrent management, oversight of therapeutic intervention services, and professional relationships and practices The supervisor shall review 20% of Respondent's current patient files The supervisor shall choose which files shall be reviewed
 - (c) The supervisor shall oversee clinical interventions and review records The supervisor shall also address issues pertaining to boundary violations, dual relationships, transference and counter-transference, and other issues the supervisor determines are pertinent to ethical practice
 - (d) Respondent shall cause Respondent's supervisor to submit reports to the Board and Division assessing Respondent's compliance with the terms of Respondent's probation and ethics The reports shall be submitted monthly for the first six months, and quarterly thereafter, or at such frequency as directed by the Board and Division The receipt of an unfavorable report may be considered to be a violation of probation

- 1
- (e) If Respondent is not currently employed in Respondent's licensed profession, Respondent shall submit the supervisor report form on the date it is due and indicate on the form that Respondent is not currently employed in Respondent's licensed profession, or that Respondent is not currently working
 - (f) Respondent shall notify any employer of Respondent's restricted status and the terms of this Stipulation and Order. Respondent shall provide a copy of this Stipulation and Order to Respondent's employer and cause Respondent's employer to acknowledge to the Division and Board in writing that a copy of the Order has been provided to the employer. The employer shall submit employer reports to the Division and Board on a monthly basis for the first six months and quarterly thereafter, or at such frequency as directed by the Division or Board. The employer shall write a letter to the Division and indicate whether the employer will follow the reporting requirements and support the Respondent in the probation process.
 - (g) Respondent shall not supervise other licensed mental health professionals or students without prior Division and Board approval.
 - (h) Respondent shall complete twelve additional hours of continuing professional education, pre-approved by the Board and Division, in the area of Respondent's licensed field of practice, with emphasis in the areas of professional ethics, values, boundaries, and transference and counter-transference issues. The twelve additional hours of continuing professional education shall be completed within eight months from the date of this Stipulation and Order. The twelve additional hours of continuing education hours shall not count toward the regular continuing professional education requirement for license renewal. Respondent shall provide documentation to the Division and Board of successful completion of the twelve additional hours.
 - (i) Respondent shall discuss with the Board / Division the impact a romantic, physical and dual relationship has on the client and the therapist. The discussion shall also address boundary issues and a general overview of the laws and rules that impact such inappropriate relationships.
 - (j) Respondent shall successfully complete a psychological evaluation from a Board and Division approved licensed psychologist if the Board / Division deem it necessary. The evaluator shall evaluate Respondent's problems relating to boundary violations, dual relationships, professional competency, and any other areas the evaluator identifies as concerns. The evaluator must not be known by Respondent professionally or personally and Respondent will cause a report of the evaluation to be sent to the Division and Board along with any recommended treatment plan. Said

1

evaluation will be completed within ninety (90) days of the date of this Order. Respondent will execute the appropriate written release forms to authorize the evaluating practitioner to report to the Division and Board any report, diagnosis, supporting information, testing and measures administered, interpretation of the tests and treatment recommendations. Respondent shall be responsible for all expenses related to the evaluation.

- (k) Respondent shall follow any treatment recommendations made by the evaluator, the Division, and/or the Board. A therapist approved by the Division and Board shall conduct any treatment. Respondent shall execute any necessary releases to allow the therapist to provide reports to the Division and Board regarding Respondent's progress. Respondent's therapy should focus on the problem areas and concerns identified by the evaluator. Respondent shall cause quarterly progress reports to be submitted to the Division and Board by the therapist. Respondent shall be responsible for all treatment expenses.
- (l) Respondent shall notify the Division and Board within one (1) week of any change of employer or employment status. This is required regardless of whether Respondent is employed in Respondent's licensed occupation. The notification shall be in writing.
- (m) Respondent shall meet with the Board and Division within thirty (30) days of signing of the accompanying Order and on a quarterly basis, or at other greater or lesser frequency as determined by the Board and Division for the duration of the probationary period thereafter to assess the progress of Respondent's probation. Respondent shall meet with the Board and Division at the first scheduled Board meeting after the effective date of the Order with a plan for Respondent's probation, including the name(s) of evaluator(s).
- (n) Respondent shall limit Respondent's practice in accordance with the terms of probation, unless the Division and the Board authorize changes.
- (o) In the event that Respondent leaves Utah for a period longer than 60 days, Respondent shall notify the Division and the Board in writing of the dates of departure and return. The licensing authorities of the jurisdiction to which Respondent moves must be promptly notified of the provisions of this Stipulation and Order. Periods of residency or practice outside Utah may apply to the reduction of the probation period if the new state of residency places Respondent's license on probation with equal or greater terms and conditions.

- (p) Periods of unemployment or employment in other fields of practice shall be reported by Respondent to the Division and shall not count toward completion of probation. Should Respondent not be employed in Respondent's licensed occupation during Respondent's probationary period for a consecutive period of more than sixty (60) days, that period shall not apply to the reduction of probation, though the terms of probation shall remain applicable. If the Respondent works less than 15 hours per week in Respondent's licensed occupation, a reduction of any remaining probationary time shall occur on a pro-rata basis, in relation to a full-time position of working no more than 50 hours per week.
- (q) Should other acts of unprofessional conduct come to the attention of the Division or Board which have occurred prior to the entry of the Order in this case or should Respondent violate probation in any respect, the Division may, in addition to taking action as provided for herein, after giving Respondent notice and the opportunity to be heard, revoke probation or impose sanctions in accordance with applicable law.
- (r) If a petition is filed against Respondent during Respondent's probation, the period of probation shall be extended until the matters alleged in the petition are fully resolved.
- (s) Respondent shall immediately notify the Division, in writing, of any changes in private or professional address and agrees that written communication by the Division and/or the Board shall be mailed to Respondent at the last address provided to the Division via first class U S Mail, and shall constitute notice to Respondent.
- (t) Failure to pay for any of the costs associated with this probation shall be considered a violation of this Order. Respondent further agrees to complete all conditions of probation in a timely manner. Where a specific time for completion is not stated in this Order, it shall be within the Division and Board's discretion to set a time for completion.
- (u) Respondent agrees to keep Respondent's Utah license current during the period of probation.
- (v) Respondent shall notify the Division immediately if Respondent is charged or arrested with any criminal conduct and understands that a conviction is a violation of this agreement.

9 This Stipulation and Order, upon approval by the Director of the Division, shall be the final compromise and settlement of this matter. Respondent acknowledges that the Director

is not required to accept the terms of this Stipulation and Order and that if the Director does not do so, this Stipulation and the representations contained therein shall be null and void, except that the Division and the Respondent waive any claim of bias or prejudice Respondent might have with regard to the Director by virtue of her having reviewed this Stipulation, and this waiver shall survive such nullification
