IN THE STATE OF UTAH)

GLORI ALLEN ("Respondent") and the **DIVISION OF OCCUPATIONAL AND
PROFESSIONAL LICENSING** of the Department of Commerce of the State of Utah

("Division") stipulate and agree as follows:

1. Respondent admits the jurisdiction of the Division over Respondent and over the subject matter of this action.
2. Respondent acknowledges that Respondent enters into this Stipulation knowingly and voluntarily.

3. Respondent understands that Respondent has the right to be represented by counsel in this matter and Respondent's signature below signifies that Respondent has either consulted with an attorney or Respondent waives Respondent's right to counsel in this matter.

4. Respondent understands that Respondent is entitled to a hearing before the State of Utah's Physician Licensing Board ("Board"), or other Division Presiding Officer, at which time Respondent may present evidence on Respondent's own behalf, call witnesses, and confront adverse witnesses. Respondent understands that by signing this document Respondent hereby waives the right to a hearing, the right to present evidence on Respondent's own behalf, the right to call witnesses, the right to confront adverse witnesses, and any other rights to which Respondent may be entitled in connection with said hearing. Respondent understands that by signing this document Respondent waives all rights to any administrative and judicial review as set forth in §§ 63G-4-301 through 63G-4-405 and Utah Administrative Code R151-46b-12 through R151-46b-15.

5. Respondent waives the right to the issuance of a Petition and a Notice of Agency Action in this matter.

6. Respondent understands that this Stipulation and Order, if adopted by the Director of the Division, will be classified as a public document. The Division may release this Stipulation and Order, and will release other information about this disciplinary action against Respondent's license, to other persons and entities.

7. Respondent admits the following facts are true:

- a. Respondent was first licensed to practice as physician/surgeon and to administer and prescribe controlled substances in the State of Utah on or about October 20, 1992.

- b. On or about April 24, 2001 the Division issued a Letter of Concern to Respondent warning Respondent about Respondent's failure to maintain proper records of controlled substances pursuant to Utah Administrative Code R156-37-602(1).
- c. In August 2008 agents of the Drug Enforcement Administration ("DEA") executed a Notice of Inspection of Controlled Premises to inspect Respondent's place of business located in Price, Utah. Respondent admitted to the DEA agents that Respondent had requested and received samples of dihydrocodeine, a Schedule III controlled substance, from a drug manufacturer. Respondent had mailed postcards to request the samples. The postcards sent by Respondent clearly stated "Synalgos DC is a CIII narcotic analgesic combination, controlled product laws apply." Respondent admitted taking the samples to Respondent's home where she ingested some of them. All of the samples remained at Respondent's home.
- d. Respondent did not have a valid prescription for the dihydrocodeine samples that she received. Respondent failed to maintain records of her receiving and self-administering the dihydrocodeine that she requested and received, in violation of federal law.
- e. DEA agents seized 12 full bottles of Pancof-PD (dihydrocodeine); one full bottle of Panlor DC (dihydrocodeine); one full bottle of Synalgos DC (dihydrocodeine), and one full bottle of Panlor SS (dihydrocodeine). Respondent acknowledged receiving the Synalgos DC after having sent in a request for samples using her own DEA registration number.

8. Respondent admits that Respondent's conduct described above is unprofessional conduct as defined in Utah Code Ann. § 58-1-501(2)(a), Utah Administrative Code R156-37-502(2) and R156-37-602(1), and unlawful conduct as defined in Utah Code Ann. § 58-37-8(2)(a)(i). Respondent agrees by engaging in such conduct the Division is justified in taking disciplinary action against Respondent's license pursuant to Utah Code Ann. § 58-1-401(2)(a) and (b). Respondent agrees that an Order, which constitutes disciplinary action against Respondent's license by the Division pursuant to Utah Administrative Code R156-1-102(7) and

Utah Code Ann. § 58-1-401(2), may be issued in this matter providing for the following action against Respondent's license:

- (1) Respondent's licenses shall be publicly reprimanded for the conduct described above.
- (2) Respondent shall successfully complete a prescribing course and a recordkeeping course, both pre-approved by the Division, at the Physician Assessment and Clinical Education (PACE) Program at the University of California at San Diego, within one year of the effective date of this Stipulation and Order.

Respondent shall comply with all the terms and conditions of this Stipulation immediately following the Division Director's signing of the Order page of this Stipulation and Order. Respondent shall comply with and timely complete all the terms and conditions of probation. If a time period for completion of a term or condition is not specifically set forth in the Stipulation and Order, Respondent agrees that the time period for completion of that term or condition shall be set by the Board. 13. If Respondent violates any term or condition of this Stipulation and Order, the Division may take action against Respondent, including imposing appropriate sanction, in the manner provided by law. Such sanction may include revocation or suspension of Respondent's license, or other appropriate sanction.
