Respondent and the Division hereby express their intent that this matter be resolved expeditiously through stipulation as contemplated in Utah Code Ann. § 63G-4-102(4).

5. Respondent waives the right to the issuance of a Petition and a Notice of Agency Action in this matter.

6. Respondent understands that this Stipulation and Order, if adopted by the Director of the Division, will be classified as a public document. The Division may release this Stipulation and Order, and will release other information about this disciplinary action against Respondent's license, to other persons and entities.

7. Respondent admits the following facts are true:

- a. Respondent was licensed to practice as a chiropractic physician in the State of Utah at all times relevant to this Stipulation and Order.
- b. In December 2010 the Division received a complaint alleging that Respondent was selling homeopathic human chorionic gonadotrophin ("HCG") and prescription strength HCG that Respondent had obtained from the Netherlands. Respondent admitted to the complainant during a telephone call that Respondent had obtained the HCG described above from the Netherlands and was selling the HCG.
- c. On or about January 13, 2010 Respondent admitted to a Division investigator, who was posing as a customer, that Respondent regularly sold hormone HCG and homeopathic HCG in Utah for the past three years. Respondent admitted that the HCG he sold was prescription strength. Respondent stated that the prescription strength HCG sold for \$349 and was obtained from a pharmaceutical distributor in the Netherlands.
- d. On or about January 21, 2010 Respondent met with a Division investigator. Respondent told the Division investigator that Respondent only sold homeopathic HCG that Respondent manufactured at his own office. Respondent admitted not having a valid registration to manufacture homeopathic medications with the U.S. Food and Drug Administration. Respondent denied selling prescription strength HCG. Respondent admitted that he obtained homeopathic HCG from the Netherlands that Respondent used to electronically duplicate HCG using colloidal mineral water. Respondent stated that he sold homeopathic HCG for between \$17.95 and \$34.95. Respondent admitted that the device Respondent used to manufacture HCG is not a device approved by the FDA.
- e. Respondent's description of actions on January 13, 2010 differed significantly from his description of his actions on January 21, 2010.
- f. Respondent manufactured and sold a homeopathic medication that is not listed in the Homeopathic Pharmacopeia of the United States.

8. Respondent admits that Respondent's conduct described above is unprofessional conduct as defined in Utah Code Ann. § 58-1-501(2)(a), (h), and (j), § 58-73-501(3), and § 58-73-601(3)(b); and unlawful conduct as defined in Utah Code Ann. §58-1-501(1)(e) and § 58-17b-

501(11). Respondent agrees by engaging in such conduct the Division is justified in taking disciplinary action against Respondent's license pursuant to Utah Code Ann. § 58-1-401(2)(a) and (b). Respondent agrees that an Order, which constitutes disciplinary action against Respondent's license by the Division pursuant to Utah Administrative Code R156-1-102(7) and Utah Code Ann. § 58-1-401(2), may be issued in this matter providing for the following action against Respondent's license:

9. Upon approval by the Director of the Division, this Stipulation and Order shall be the final compromise and settlement of this non-criminal administrative matter. Respondent acknowledges that the Director is not required to accept the terms of this Stipulation and Order and that if the Director does not do so, this Stipulation and the representations contained therein shall be null and void, except that the Division and the Respondent waive any claim of bias or prejudice they might otherwise have with regard to the Director by virtue of his having reviewed this Stipulation, and this waiver shall survive such nullification.

10. Respondent shall abide by and comply with all applicable federal and state laws, regulations, rules and orders related to the Respondent's licensed practice.

11. This document constitutes the entire agreement between the parties and supersedes and cancels any and all prior negotiations, representations, understandings or agreements

between the parties regarding the subject of this Stipulation and Order. There are no verbal agreements that modify, interpret, construe or affect this Stipulation. Respondent agrees not to take any action or make any public statement, that creates, or tends to create, the impression that any of the matters set forth in this Stipulation and Order are without factual basis. A public statement includes statements to one or more Board members during a meeting of the Board. Any such action or statement shall be considered a violation of this Stipulation and Order. Respondent understands that failure to comply with this Order may subject Respondent to a civil penalty of up to \$2,000 (two-thousand dollars) for each day the order is violated pursuant to Utah Code Ann. § 58-1-503(1).

12. The accompanying Order becomes effective immediately upon the approval of this Stipulation and signing of the Order by the Division Director. Respondent shall comply with all the terms and conditions of this Stipulation immediately following the Division Director's signing of the Order page of this Stipulation and Order. Respondent shall comply with and timely complete all the terms and conditions of probation. If a time period for completion of a term or condition is not specifically set forth in the Stipulation and Order, Respondent agrees that the time period for completion of that term or condition shall be set by the Board. Failure to comply with and timely complete a term or condition shall constitute a violation of the Stipulation and Order and may subject Respondent to revocation or other sanctions.

13. If Respondent violates any term or condition of this Stipulation and Order, the Division may take action against Respondent, including imposing appropriate sanction, in the manner provided by law. Such sanction may include revocation or suspension of Respondent's license, or other appropriate sanction.
