**FINDINGS OF FACT**

1. The Division of Occupational and Professional Licensing ("the Division") filed a Notice of Agency Action in this matter on the 14 day of June 2011.
2. This action is based upon Division records as reflected in the notice of agency action filed herein which show Airworx Heating and Cooling LLC, (the "Respondent") failed to replace its qualifier within 60 days after the qualifier ceased association with the Respondent as required by Utah Code Annotated 58-55-304(6). Division records indicate the qualifier ceased association with the Respondent on or before 03/23/2011.
3. The Respondent has failed to respond to the notice of agency action and according to Division records has failed to replace the qualifier as required by Utah Code Annotated 58-55-304(6).

**CONCLUSIONS OF LAW**

4. Respondent's failure to respond to the notice of agency action constitutes a basis for entry of default against Respondent.

5. The notice of agency action and attached documentation supports a basis to conclude that the Respondent failed to replace its qualifier as required by Utah Code Annotated 58-55-304(6), the Respondent has engaged unprofessional conduct as provided by Utah Code Annotated 58-1-501(2)(a) and Respondent no longer meets the qualification for licensure as provided by Utah Code Annotated 58-55-304(3)-(5).

6. The Division is authorized to revoke the Respondent's contractor license as provided by Utah Code Annotated 58-1-401(1) because the Respondent no longer meets the qualifications for license by having a qualifier as required by Utah Code Annotated 58-55-304(3)-(5).

7. The Division is authorized to revoke the Respondent's contractor license as provided by Utah Code Annotated 58-1-401(2)(a) for engaging in unprofessional conduct as provided by Utah Code Annotated 58-1-501(2)(a) for failure to replace the qualifier as require by Utah Code Annotated 58-55-304(6).
