AND ORDER**

Case No DOPL-2011-350

FINDINGS OF FACT

1 The Division of Occupational and Professional Licensing ("the Division") filed a Notice of Agency Action in this matter on the 17th day of October, 2011

2 This action is based upon Division records which show KGO, INC , (the "Respondent") failed to replace its qualifying agent within 60 days after the qualifying agent Mark A Ciraulo ceased association with the Respondent as required by Utah Code Annotated 58-55-304(6) Division records indicate the qualifying agent ceased association with the Respondent on or before January 11, 2011

3 The Respondent has failed to respond to the notice of agency action and according to Division records has failed to replace the qualifying agent as required by Utah Code Annotated 58-55-304(6)

Therefore, according to Division records and after a review of Respondent's response in this matter, Respondent has failed to replace its qualifying agent as required

CONCLUSIONS OF LAW

4 Based upon Respondent's failure to replace its qualifying agent as required by Utah Code Annotated 58-55-304(6), the Respondent has engaged unprofessional conduct as provided by Utah Code Annotated 58-55-502(5) and Respondent no longer meets the qualification for licensure as provided by Utah Code Annotated 58-55-302(3)(k)(l)

5 The Division is authorized to revoke the Respondent's alarm business or company license as provided by Utah Code Annotated 58-1-401(1) because the Respondent no longer meets the qualifications for license by having a qualifying agent as required by Utah Code Annotated 58-55-302(3)(k)(i)

6 The Division is authorized to revoke the Respondent's alarm business or company license as provided by Utah Code Annotated 58-1-401(2)(a) for engaging in unprofessional conduct as provided by Utah Code Annotated 58-55-502(5) for failure to replace the qualifying agent as required by Utah Code Annotated 58-55-304(6)
