IN THE STATE OF UTAH	)	

---

**JOHN WESLEY WHITELEY** (“Respondent”) and the Division of Occupational and Professional Licensing of the Department of Commerce of the State of Utah (“Division”) stipulate and agree as follows:

1. Respondent admits the jurisdiction of the Division over Respondent and over the subject matter of this action.
2. Respondent acknowledges that Respondent enters into this Stipulation knowingly and voluntarily.

3. Respondent understands that Respondent has the right to be represented by counsel in this matter and Respondent's signature below signifies that Respondent has either consulted with an attorney or Respondent waives Respondent's right to counsel in this matter.

4. Respondent understands that Respondent is entitled to a hearing before the State of Utah's Veterinary Licensing Board ("Board"), or other Division Presiding Officer, at which time Respondent may present evidence on Respondent's own behalf, call witnesses, and confront adverse witnesses. Respondent understands that by signing this document Respondent hereby knowingly and intelligently waives the right to a hearing, the right to call witnesses on Respondent's own behalf, the right to call witnesses, the right to confront adverse witnesses, and any other rights to which Respondent may be entitled in connection with said hearing.

Respondent understands that by signing this document Respondent hereby knowingly and intelligently waives the right to all administrative and judicial review as set forth in Utah Code Ann. §§ 63G-4-301 through 63G-4-405, and Utah Administrative Code R151-46b-12 through R151-46b-15. Respondent and the Division hereby express their intent that this matter be resolved expeditiously through stipulation as contemplated in Utah Code Ann. § 63G-4-102(4).

5. Respondent waives the right to the issuance of a Petition and a Notice of Agency Action in this matter.

6. Respondent understands that this Stipulation and Order, if adopted by the Director of the Division, will be classified as a public document. The Division may release this Stipulation and Order, and will release other information about this disciplinary action against Respondent's license, to other persons and entities.

7. Respondent admits the following facts are true:

- a. Respondent was first licensed as a veterinarian and to administer and prescribe controlled substances in the State of Utah on or about September 18, 1957.
- b. In September 2012 Respondent surrendered his DEA registration certificate after DEA executed an administrative warrant on the Respondent.
- c. Respondent desires to surrender Respondent's license to administer and prescribe controlled substances in the State of Utah as well as all residual rights pertaining to said license.

8. Respondent admits that Respondent's conduct described above is unprofessional conduct as defined in Utah Code Ann. § 58-1-501(2)(a) and (d); and Utah Administrative Code R156-37-502(2) as further defined by Utah Administrative Code R156-1-501; and that said conduct justifies disciplinary action against Respondent's license pursuant to Utah Code Ann. § 58-1-401(2)(a). Respondent hereby surrenders Respondent's license to administer and prescribe controlled substances in the State of Utah as well as all residual rights pertaining to said license. Respondent agrees that the issuance of the Order in this matter constitutes disciplinary action by the Division pursuant to Utah Administrative Code R156-1-102(6) and Utah Code Ann. § 58-1-401(2)(a) and (b). Respondent agrees not to reapply to administer and prescribe controlled substances in the State of Utah for a period of five years from the date the Division Director signs this Stipulation and Order. The Division does not guarantee that any future application by Respondent for licensure will be granted. If the Division Director accepts the terms of this Stipulation and Order, Respondent forfeits all rights to administer and prescribe controlled substances in the State of Utah. Respondent understands that Respondent will not receive any refund of license or renewal fees previously paid to the Division.

9. The Division acknowledges that the Respondent has disclosed that he wishes to continue his veterinary practice under his licensure to practice veterinary medicine as follows:

a. Respondent will not perform any surgical procedures but will continue to practice in every other way he is entitled to do so without the use of a federal or state controlled substance permit and/or license; and,

b. Respondent will act in the position of a medical director.

Having had Respondents' intentions disclosed to it, the Division hereby acknowledges that such practices are permitted under the terms of this Surrender Stipulation and Order and within the intention of the parties to this document. However, the Parties acknowledge that the Division retains its right to take any disciplinary measure available to it in the event that the Respondent engages in any other unprofessional conduct not related to the surrender of Respondent's DEA registration certificate.

10. This Stipulation and Order, upon approval by the Director of the Division, shall be the final compromise and settlement of this non-criminal administrative matter. Respondent acknowledges that the Director is not required to accept the terms of this Stipulation and Order and that if the Director does not do so, this Stipulation and the representations contained therein shall be null and void, except that the Division and Respondent waive any claim of bias or prejudice they might otherwise have with regard to the Director by virtue of his having reviewed this Stipulation, and this waiver shall survive such nullification.

11. This document constitutes the entire agreement between the parties and supersedes and cancels any and all prior negotiations, representations, understandings or agreements between the parties regarding the subject of this Stipulation and Order. There are no

verbal agreements that modify, interpret, construe or affect this Stipulation.

12. Respondent understands that the disciplinary action taken by the Division in this Stipulation and Order may adversely affect any license that Respondent may possess in another state or any application for licensure Respondent may submit in another state.

13. If Respondent violates any term or condition of this Stipulation and Order, the Division may take action against Respondent, including imposing appropriate sanction, in the manner provided by law.

14. Respondent understands and agrees that if Respondent has been issued an Order by the Division to pay an administrative penalty or a fine, and Respondent has not paid the administrative penalty or fine in full at the time this Stipulation and Order becomes effective, then Respondent may not reapply for licensure in the State of Utah, in any profession or occupation, until Respondent has paid the administrative penalty or fine in full. Respondent understands and agrees that any application for licensure submitted by Respondent shall be denied for the reason of failure to pay an administrative penalty or fine by the Division until Respondent has paid the administrative penalty or fine in full. The Division may also deny the license for any other lawful reason. Respondent understands and agrees that this surrender of Respondent's license(s) does not extinguish any obligation Respondent has to pay any administrative penalty or fine previously ordered by the Division.

15. Respondent has read each and every paragraph contained in this Stipulation and Order. Respondent understands each and every paragraph contained in this Stipulation and Order. Respondent has no questions about any paragraph or provision contained in this Stipulation and Order.
