It is also used for child support enforcement pursuant to Subsection 78-32-17(3) and is mandatory pursuant to Subsection 58-1-301(1), Utah Code Ann., which implements 42 U.S.C. 666(a)(13). 4. **Education and Training Requirement:** To be eligible for licensure, you must complete a Utah Board approved curriculum of education that includes a minimum of 180 hours of practical experience in a pharmacy supervised by a licensed pharmacist, covering at least the following topics:

- Legal aspects of pharmacy practice such as laws and rules governing practice.

Your education and training must have been completed in either an approved licensed Utah pharmacy under the supervision of a licensed pharmacist OR in an approved, formal educational setting OR by working 1,000 hours in the past year as a licensed pharmacy technician in another state that requires licensure for pharmacy technicians.

5. **Fingerprint Information:** All applicants are required to undergo a criminal background check and fingerprint search through the files of the Bureau of Criminal Identification (BCI) and the Federal Bureau of Investigation (FBI). **Fingerprint cards that are not complete and/or properly rolled will be rejected, delaying the licensure process.**

To expedite the licensure process, you can obtain electronic fingerprinting at DOPL’s offices (160 E. 300 S., Salt Lake City), 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays. Currently, there is no fee to roll electronic fingerprints for DOPL licensure applicants. A current government issued picture ID is required.

**WARNING:** If information received from the Utah Bureau of Criminal Identification or the Federal Bureau of Investigation indicates that you have failed to accurately disclose your criminal history to the Division of Occupational and Professional Licensing, any pharmacy license issued to you will be immediately and automatically revoked.

**REVIEW OF YOUR FBI RECORD:** If you wish to challenge the accuracy of the information in your FBI record, you should contact the agency that contributed the information in question. You may also direct the challenge to the FBI, Criminal Justice Information Services (CJIS) Division, Attn. SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will forward the challenge to the respective agency.

6. **License Renewal:** All pharmacy licenses expire September 30 of every odd-numbered year.

   Unlike many other states, Utah’s license renewal schedule **is not** based on the licensee’s date of initial licensure. Under Utah’s renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee’s first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years.

   Additionally, the fee paid with this application for licensure is an application-processing fee only. **It does not include a renewal fee.** Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Approximately two months prior to the expiration date shown on the license, renewal information is disseminated to each licensee’s last address of record, as provided to DOPL.

7. **Renewal Requirements / Continuing Education:** Each pharmacy technician is required to complete 20 hours of continuing education in each two-year renewal cycle. Persons licensed during the renewal period are required to complete 0.83 hours of continuing education for each month they are licensed. Of the 20 required hours, at least 1 hour must be in laws and ethics and a minimum of 8 hours must be live. All 20 hours must be approved by the Accreditation Council on Pharmaceutical Education (ACPE) and programs accredited by other nationally recognized healthcare accrediting agencies. Current certification with ExCPT or PTCB also satisfies the continuing education requirements.

8. **Updating Address Information:** It is your responsibility to maintain a current address with DOPL. If your address is incorrect, you will not receive renewal notices or other correspondence. Address changes can be made online at www.dopl.utah.gov.

9. **Name Change:** If you have been licensed by DOPL under any other name, please submit documentation of your name change (*i.e. copy of a marriage license or divorce decree*).

10. **Ceremonial Certificate of Licensure:** After obtaining your license from DOPL, you can order a Ceremonial Certificate of Licensure, printed on parchment paper with original signatures and an embossed gold seal. Order forms can be obtained at www.dopl.utah.gov.
11. **Acceptable Forms of Payment:** Licensure fees can be paid by check or money order, made payable to “DOPL.” Cash and debit/credit cards (*American Express, MasterCard, and Visa*) are also accepted in person at DOPL’s main office – but not over the telephone.
